1.2 Summer Opportunities for Undergraduates

- American Economic Association Summer Program and Minority Scholarship Program (DEADLINE: January 31; PROGRAM: June 1 - July 30)
 - The American Economic Association’s Summer Program and Minority Scholarship Program is now based at Michigan State University. A program begun in 1974, the AEA Summer Program seeks to prepare talented undergraduates for doctoral programs in Economics and related disciplines, by offering a unique opportunity for students to gain technical skills in Economics, and conduct research with prominent faculty.
- Mentoring Program, AEA Committee on the Status of Minorities in the Economics Profession
 - The AEA established the Mentoring Program to support under-represented minorities in entering and/or completing doctorate degrees in economics. Mentoring Program matches African-American, Latino, and Native American economics Ph.D. students with mentors in the field, and also facilitates networking between minority economists and students at all stages of the educational pipeline. This website has more information, current and past participants, mentors, conferences, resources for economists and students, and other helpful information about minorities in the field of economics.

1.3 Contests

St. Norbert College cosponsors the **iOMe Challenge**, inviting teams of undergraduates to submit an essay and a short video to illustrate some of the economic issues associated with financial security. A blue ribbon panel chooses winning teams. The top prize is \$10,000 to the winning student team and \$2,000 to that team’s faculty advisor. The winning team may also be invited to Washington, D.C. to present their entry to Members of Congress, policymakers and other notables interested in this policy issue. There will also be honorable mention prizes of \$2,500 for teams and their faculty advisors. More details and specific rules are available at the contest’s website. The deadline for teams to submit the essay and video is in the fall.

Adam Smith competition: Economics essay due middle of Spring term (March 26; 40,000 words or less), presentation for finalists in April (April 28), prizes of \$2000 (first), \$1000 (second) and honorable mention (\$500) usually winner is recommended to submit to International Atlantic Economic Society: Best Undergraduate Paper Competition (see above - DEADLINE: June 15; Winners from IAES will be contacted by August 15th for the opportunity to present work at IAES conference in Montreal in October. Winner gets \$500 + publication in Atlantic Economic Journal. All finalists receive a plaque and the chance to publish anthology in AEJ.).

West Virginia University awards the **Roger Noll Prize** for Best Undergraduate Paper in Sports Economics. The winner receives \$1,000 along with travel and accommodation to present their research in Morgantown West Virginia. The competition is open to undergraduates and recent graduates. Papers must be between 4,000 and 12,000 words in length and the DEADLINE is December 20th, 2018. Contact Joshua Hall (joshua.hallmail.wvu.edu) or Brad Humphreys (brad.humphreysmail.wvu.edu).
